## KATA SAMBUTAN

### GREETINGS

PT Terminal Elektronika Sekawan (PT TES) adalah perusahaan yang bergerak di bidang sistem alat ukur dan alat pelatihan pendidikan. Perusahaan ini didirikan oleh 4 pendiri yaitu Jo Hanapi, Septinus, Suhendar & Tjung Pin. Melalui dedikasi kami sejak tahun 1996, PT TES terus berkembang dan menjadi salah satu perusahaan terbesar dalam bidang alat ukur dan alat pelatihan pendidikan.

Tak hanya menghadirkan produk-produk berkualitas, kami juga menghadirkan Layanan Kalibrasi & Training Center dengan tujuan dapat memberikan pengetahuan agar konsumen dapat memanfaatkan peralatan secara maksimal.

Kami bercita-cita agar dapat menjadi market leader di alat-alat ukur & peralatan pendidikan. Disini kami juga mengedukasi konsumen agar konsumen kami membeli sesuai kebutuhan. Kami merasa puas apabila yang dibeli oleh konsumen sesuai dengan kebutuhan mereka.

Akhir Kata, Salam Sukses untuk anda dan perusahaan anda, Terminal Elektronika Sekawan siap hadir menghadirkan reliabilitas dalam segala pekerjaan anda.

Salam,

Septinus, Suhendar, Tjung Pin & Jo Hanapi

PT Terminal Elektronika Sekawan (PT TES) is a company specializing in Testing and Measuring Equipment and Educational Training System. The company was founded by 4 founders namely Jo Hanapi, Septinus, Suhendar & Tjung Pin. Through our dedication since 1996, PT TES has grown rapidly and become of the biggest Testing and Measuring Equipment and Educational Training Equipment suppliers in Indonesia.

Not only presenting quality products, we also present Calibration Service & Training Center with the aim of providing knowledge so that our customers can make the most of the equipment. We aspire that our company can become a market leader in measuring instruments & educational equipment. Here we also educate consumers so that our consumers buy as needed. We feel satisfied when what our customers buy is according to their needs.

Finally, we wish a success for you and your company, Terminal Elektronika Sekawan is ready to bring reliability in all your work.

Best Regards,

Septinus, Suhendar, Tjung Pin & Jo Hanapi

## VISI VISION

Visi kami adalah menjadi salah satu perusahaan pemimpin di Indonesia yang menyediakan layanan berkualitas untuk konsumen. PT TES berfokus pada layanan penjualan, pemasaran dan konsultasi untuk sektor pendidikan dan industri, Hal ini juga melibatkan pengujian alat elektronik, perkakas dan instrumen pengukuran, juga sistem laboratorium kalibrasi.

Our vision is to be one of the leading companies in Indonesia which provides quality service for customers. PT TES concentrates on sales service, marketing and consulting in both educational and industrial sectors. This involves electronic testing, toolkit and measuring instruments, and calibration system laboratory.

## MISI MISSION

Misi kami adalah menjaga kinerja layanan pelanggan terbaik dengan peningkatan dalam "Kualitas, Biaya dan Pengiriman". Melalui peningkatan kualitas layanan yang berkelanjutan, kami mengantisipasi perubahan kebutuhan setiap layanan pelanggan dalam manajemen perusahaan menuju layanan yang lebih efektif, efisien, dan profesional. Tujuannya adalah untuk memiliki persepsi dan tindakan yang sama, untuk meningkatkan kesadaran akan hasil yang dicapai. Dengan demikian, memberikan hasil nyata yang sesuai dengan kebutuhan pelanggan.

Our mission is to keep the best customer service performance with the improvement in the "Quality, Cost and Delivery". Through continuous improvement of quality service, we anticipate the changing needs of each customer service in the company management towards a more effective, efficient, and professional service. The goal is to have common perception and action, to raise awareness in the results achieved. Thus, is has concrete results that match customer needs.

Strategic location

**Ter-sertifikasi KAN**  
Certified by KAN

### OUR LAB CAPABILITY

## KAPABILITAS LAB KAMI

#### Oscilloscope

Digital Storage Oscilloscope Up to 600 MHz  
Analog Oscilloscope Up to 600 MHz

#### Signal Generator

Arbitrary Function Generator Up to 2.7GHz  
Analog Signal Generator  
Function Generator Up to 2.7GHz

#### LCR Meter

Resistance up to 1 GΩ  
Capacitance up to 10 μF  
Impedance up to 10 H

#### Others

DC Power Supply up to 10A, 10kV  
Tachometer optical up to 100000 RPM  
Insulation up to 1 GΩ, 1kV  
Frequency Counter up to 600 MHz  
Thermometer indicator type J, K, T, R, S, N, B, E  
AC Voltage source up to 10kV  
Decade Capacitance up to 1mF  
Decade Inductance up to 10H  
Decade Resistance up to 90 M Ohm

# PRODUK

## PRODUCT

Kami hadir menyediakan solusi lengkap untuk sektor manufaktur dan pendidikan, dalam bidang alat ukur & alat peraga pendidikan. Merek-merek yang kami sediakan sangat variatif, berkualitas tinggi, dan layanan after sales melalui service center kami

We are provide a complete solutions for manufacturing and education sector, in the field of measuring instruments & educational trainer. The brands that we provide are very varied, high quality, and after-sales services through our service center.

## PUSAT PELATIHAN

### TRAINING CENTER

Kami percaya bahwa selain alat, sumber daya manusia menjadi faktor penting demi menciptakan reliabilitas yang sempurna. Oleh karena itu kami juga menyediakan Training Center agar peserta bisa mendapatkan pemahaman terhadap penggunaan alat-alat yang kami jual. Fasilitas training center ini terbuka bagi seluruh instansi baik instansi swasta maupun instansi pemerintah termasuk mahasiswa, dosen, pengamat, peneliti.

We believe that in addition to tools, human resources are an important factor in creating perfect reliability. Therefore we also provide a Training Center so that participants can get an understanding of the use of the tools that we sell. The training center facility is open to all agencies both private agencies and government agencies including students, lecturers, observers, researchers.

**Pengajar profesional dan berpengalaman di bidangnya**  
Professional and experienced lecturer

**Pemahaman teori dan praktek**  
Theoretical and practical learning

**Materi pelatihan dapat disesuaikan dengan kebutuhan**  
Customized training contents
